

Boots Campaign 2013

Would a pair of football boots be of use to you?

Since 2010, our charity has been working to fulfill our mission to promote, develop and improve football in Barbados with the aim of creating opportunities at all levels, but especially for the youth. We always receive one particular request - football boots of a proper quality & for a reasonable price. In close co-operation with our partner PUMA we can offer 680 pairs of football boots allotted in 18 different sizes.
