Organiser

The Football Holiday Camp 2019 is organised by THE BREWSTER TRUST, a registered Charity in Barbados. The trust's mission is to promote, develop and improve football in Barbados with the aim of creating opportunities at all levels, especially for the youth. To impart the qualities of leadership, loyalty, sportsmanship, competitive ambition and the drive for academic excellence as well as discipline, fair play and respect is our ultimate goal, just as the fruitful co-operation with all national and international football stakeholders.

Coaches

The coaches at the camp are familiar with The Brewster Trust and its mission and have been coaching at programmes in Barbados before.

The age groups

The two-weeks programmes are all about the youth. The training sessions are age group and performance related and following THE BREWSTER TRUST's mission it is football for everyone straight from the beginner, full of fun and surprises.

Coaching in several groups – coaches are assigned to groups to encourage familiarity with the young people. The coaches will work with that same group over the course of each two-weeks.

THE BREWSTER TRUST offers again the age group 15+ mainly to integrate parents as well as senior players to the charity's football programme.

Coaching elements

Coaching elements will be multifarious with daily competitions based on the session, basic passing techniques developing the range and accuracy of the players, developing the players' basic dribbling and turning techniques like dribbling at speed, slalom dribbling, dribbling with turns incorporated, control sessions and heading sessions including aerial control with the focus on using various parts of the body like feet, knees or chest, basic techniques of shooting with a development focused on shooting with various parts of the strong and the weak feet, 3 vs. 2 and 4 vs. 3 shooting sessions and mini matches or a tournament at the end of the two weeks. This will be followed by presentations to all players as well as "Most Outstanding Player" and "Fair Play" awards being handed out.

Besides the sessions on the field the programme includes classroom sessions with football as part of general literacy, indoor Futsal sessions and teaching the rules and laws of football. Camp partner "The Word's Magic" is providing reading classes for the ages 5 to 14 as well as a special programme for the age group 15+.

Venue

The Football Holiday Camp is going to be held at The Parkinson Resource Centre, The Pine, St. Michael; security, drop-off and pick-up zones as well as parking will be organised; our venue partner in conjunction with the Pinelands Youth Soccer Academy will provide changing rooms, class rooms, toilets and bathrooms – and of course a "lost and found". We don't want to miss to thank the Community Development Department of the Ministry of Youth and Community Empowerment for the hospitality and the generous support.

Children with special needs or disabilities

As a matter of course THE BREWSTER TRUST offers the Football Holiday Camp 2019 also to children with disabilities. Any special requirements can be discussed prior to registration with the Organiser.

New in 2019: Breakfast Club

With the experience of the last years THE BREWSTER TRUST intends to create a Breakfast Club for the upcoming camp to help participants to get a nutritious start to their camp day. This is in response to growing concerns that children were attending the programme without having any breakfast. An implementation depends on additional donations of our camp family.

During the registration process THE BREWSTER TRUST will find out more about feasibility and contributions to finally decide if and how the Breakfast Club can be launched.

Applicants who tick 'interested' on the registration form will be contacted accordingly.

New in 2019: Health Club

THE BREWSTER TRUST in close co-operation with The Lions Clubs of Barbados offers a special Health Club Programme, targeted at 'at risk' children between the ages nine and 13, being overweight, sedentary, family history of diabetes / hypertension. Intervening early may reduce risks and get the kids more engaged. To attend the Health Club at the camp a questionnaire needs to be completed beforehand.

Applicants who tick 'interested' on the registration form will be contacted accordingly.
